

Dear DJO Global Customer,

DJO, LLC

This letter is to inform you that our recent announcement to exit the Empi business does not impact DJO Global's other product brands such as Chattanooga that will continue to deliver excellent rehabilitation products and solutions, including portable electrotherapy devices, Saunders Home Traction, Iontophoresis, VitalStim and much more.

To assist you with this transition, we have developed some information explaining the alternatives to Empi devices that DJO Global can offer you. These materials can be found on the www.Empi.com website:

- Electrode Cross-Reference Chart
- Prescription Device Cross-Reference Chart
- Iontophoresis Cross-Reference Chart
- General Product Cross-Reference Chart

Please remember that DJO Global will be supporting wholesale and retail business models only going forward – we will not be providing any insurance billing services for our Chattanooga products.
