Patient Signature Required for Proof of Delivery, Assignment of Benefits, Acknowledgement of Receipt of Privacy Notice, and Terms and Conditions of Agreement.
By signing below, I authorize Empi to submit a claim for such product(s) to my insurer on my behalf and assign the benefits payable by my insurer to Empi. I authorize my Health care Provider and Empi to release any of my medical information required by my insurer to process the claim. I understand that Empi does not waive patient balances and that I am responsible for and agree to pay any portion of the amount due for such product(s) not paid for by my insurer, whether resulting from deductibles, co-pays, determination of non-coverage, or otherwise. I understand that the Patient Bill of Rights and Responsibilities, the CMS Medicare Supplier Standards and the Empi Notice of Privacy Practices are included in the device package and that I can contact customer service at 800-328-2536 if I have questions about the documents.

TENS — Medicare/Medicaid Completion Required

Medicare requires that we maintain documentation supporting a patient's need for two-channel (4 lead) TENS device. In addition, the supplier must substantiate that the patient has chronic intractable pain and the duration of this pain.

Patient is using for (check one): ☐ Chronic Intractable Pain ☐ Acute Post Op

HOW MANY MONTHS HAS YOUR PATIENT HAD CHRONIC INTRACTABLE PAIN (99=LIFETIME): _____

Justification for 4 leads (2 channel) versus 2 leads (1 channel)

☐ Patient's pain covers a large area and 4 electrodes are needed to surround or treat throughout the pain area.
☐ 4 electrodes are needed to treat two different pain areas.
☐ Patient has a radiating pain pattern; 4 electrodes are needed to utilize an overlapping technique along pain pattern.
☐ Other: _____

Empi EasyWear Garment – Medicare/Medicaid Completion Required

Patient has a documented medical condition such as skin problems that preclude the application of conventional electrodes, adhesive tapes and leadwires. *If yes, please attach the patient's medical record as supporting documentation.* ☐ Yes ☐ No
