#### Recovery Sciences

Cervical & Lumbar Spine Bracing

The innovative design allows for 6 sizes in 1 collar, reducing inventory, reducing waste with sizing errors and saving time.
TLSO Posture Extension
A therapeutic Postural Extension-Orthosis, ergonomically designed to comfortably control and relieve acute pain often associated with osteoporosis, compression fractures, spinal stenosis, strain and excessive kyphosis.

HCPCS CODE: L0456

Cyberspine TLSO
Compressive support from two independent pulley systems with a unique linear adjustment capability providing stabilization and restriction. They brace may be customized per patient without the use of tools or accessory parts.

HCPCS CODE: L0456

SPINE Flex Plus
Providing support for mild lower back pain from L1 – S1. Dynamic panels comfortably contour and conform to patient’s body structure. A single-hand adjustment controls support level and comfort for standing and sitting.

HCPCS CODE: L0637

Premium Plus LSO
Providing spinal support from T9-S1, the rigid uni-body frame allows for superior posterior support and is open over the surgical site. The rigid anterior and posterior panels ensure patient comfort and intracavitary pressure.

HCPCS CODE: L0621

Tri-Mod Chairback LSO
Providing spinal support from T9-S1, the rigid uni-body frame allows for superior posterior support and is open over the surgical site. The rigid anterior and posterior panels ensure patient comfort and intracavitary pressure.

HCPCS CODE: L0627

TLSO Low Profile
Providing support for mild lower back pain from L1 – S1. A single-hand adjustment controls support level and comfort for standing and sitting providing unmatched comfort, control and support.

HCPCS CODE: L0626

Supporting the PATIENT
Through increased stability, enhanced motion control and optimal comfort, our complete line of spine bracing offers uncompromising support for all patient needs.

Uncompromising SUPPORT
Supporting the CLINICIAN
A full-line of spine bracing, featuring known and proven brands, provides clinics and offices uncompromising support in meeting the needs of you and your patients.
