FOR IMMEDIATE RELEASE

DJO Global Establishes The DJO Cross Fellowship Award

SAN DIEGO, CA, February 6, 2012 – DJO Global, Inc., a global provider of medical device solutions for musculoskeletal health, vascular health and pain management, today announced that it has established The DJO Cross Fellowship Award program in honor of its recently retired Chief Executive Officer, Les Cross.

DJO Global intends to award funding for orthopedic fellowship programs and athletic training residency programs for the 2012-2013 academic year. As a committed, long time supporter of orthopedic innovation, education and patient care, DJO Global is very pleased to facilitate programs that provide highly trained, skilled medical professionals who are able to deliver quality patient care in a broad range of clinical settings.

“This million dollar, multi-year funding program demonstrates DJO Global’s commitment to this much needed specialty training,” said Michael McBrayer, Senior Vice President of Global Business and Professional Relations for DJO Global.

Applicants meeting DJO Global’s qualification criteria will be required to complete an application to be considered for an award under this new program. Additional information about the application process will be available at www.djoglobal.com in the spring.

About DJO Global

DJO Global is a leading global developer, manufacturer and distributor of high-quality medical devices that provide solutions for musculoskeletal health, vascular health and pain management. The Company’s products address the continuum of patient care from injury prevention to rehabilitation after surgery, injury or from degenerative disease, enabling people to regain or maintain their natural motion. Its products are used by orthopedic specialists, spine surgeons, primary care physicians, pain management specialists, physical therapists, podiatrists, chiropractors, athletic trainers
