Rather, please consult your healthcare professional for information on the courses of treatment, if any, which may be appropriate for you.

Directions for use of the Wrap-On Pad

Place barrier on shoulder. Position wrap-on pad on shoulder with tube down. Place round flap on core of shoulder.

Take short strap and wrap from one side of pad under the arm. Wrap should be snug but not tight.

D

Wrap long strap under uninvolved arm and across torso as shown.

Secur to kee

Secure long strap to itself to keep everything flat.
